REALISING POSSIBILITIES, TOGETHER

At SD Guthrie International, we are committed to a partnership that is devoted to our customers' success. We explore every possibility to ensure the right solutions for your business needs, identifying new opportunities along the way. We are firmly focused on the future – your future – and how we can work hand-in-hand to achieve the best possible results.

No matter what you create with oils and fats, SD Guthrie International has the formula for your success. Through an extensive global network, we provide a wide variety of edible and non-edible oil products, customised to your needs. With a history that spans decades, we've earned a solid reputation for high standards and operational excellence.

SD Guthrie International offers the security and cost-efficiency of a fully integrated, traceable value chain. Supported by unrivalled expertise and R&D, our sights are also set on a green and robust future. Our people are passionate about delivering a full and sustainable life for the world.

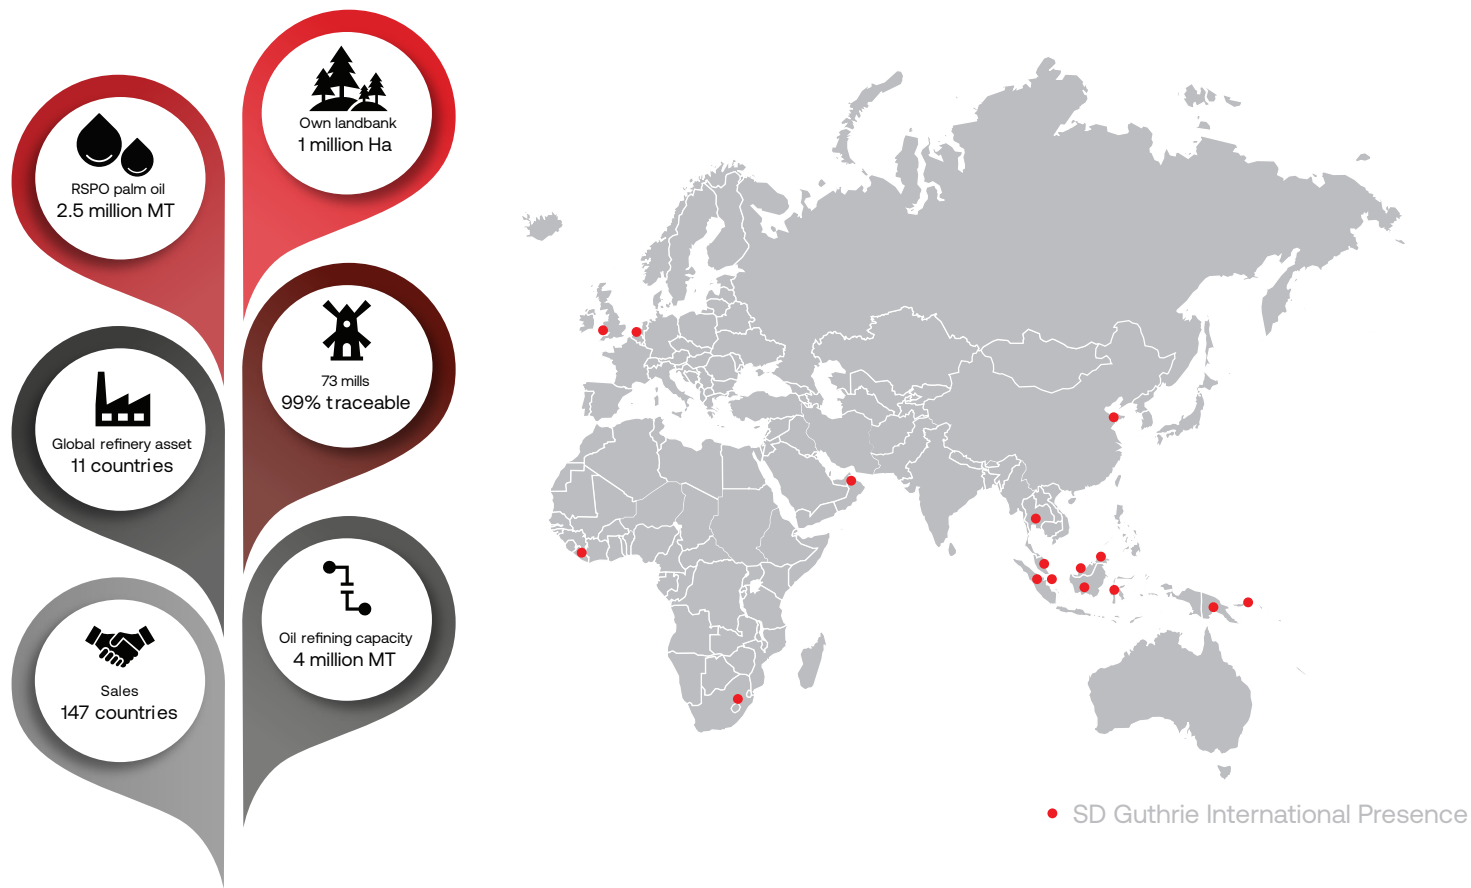

Our customers around the globe have long benefited from the fully integrated advantages of SD Guthrie International's upstream and downstream operations. We process a wide variety of oil seeds, including palm, rapeseed, sunflower, soybean and coconut. Our refineries provide the delivery and refinement of premium quality oils and fats, effectively and efficiently.

Today, all of the downstream operations of SD Guthrie are now known as SD Guthrie International. This new entity, officially launched in March 2019, combines all the experience of an age-old trusted partner with a new focus and vision for our current and future clients.

More than ever, SD Guthrie International is all about realising possibilities, together.

GLOBAL REACH THROUGH AN INTEGRATED NETWORK

SD Guthrie International business philosophy is to provide a comprehensive range of plant-based oils and fats products of the world's best quality. This gives us an edge in our selling proposition and sets SD Guthrie International apart from our competition.

With a wealth of experience in the industry, we are committed to fulfilling stringent requirements to offer only quality products and excellent service with timely delivery.

Being a fully integrated, single-source supplier of refined oils and fats, SD Guthrie delivers your needs with fully trackable, managed logistics. And when it comes to end-of-line, we provide customised filling and packaging options to optimise your final product characteristics.

All of SD Guthrie International advantages seamlessly unite to help maximise your competitive edge.
