

**GENERAL TERMS AND CONDITIONS OF SALE OF SD GUTHRIE INTERNATIONAL
SPECIALITY INGREDIENTS B.V. (FORMERLY KNOWN AS SIME DARBY OILS SPECIALITY INGREDIENTS
B.V.) WITH REGISTERED OFFICE IN ZWIJNDRECHT, THE NETHERLANDS**

1. General

- 1.1 In these General Terms and Conditions of Sale "SDGISI" is understood to mean SD Guthrie International Speciality Ingredients B.V. and "Buyer" is understood to mean the party who purchases products from SDGISI. SDGISI and the Buyer shall hereinafter be jointly referred to as the "Parties".
- 1.2 These general terms and conditions apply to all arrangements made between the Parties regarding the purchase and/or delivery of the SDGISI products, including but not limited to the Quotations, Sales Confirmations, Confirmations of Contract, Orders, Order Confirmations, Specifications and Invoices forming part thereof or arising therefrom (hereinafter referred to as the "Agreement").
- 1.3 The applicability of any general (purchasing) terms and conditions of the Buyer is expressly rejected by SDGISI and such terms and conditions do not apply to the Agreement.

2. Confirmation of Contract

- 2.1 All prices stated by SDGISI are exclusive of VAT and other levies or costs, unless agreed otherwise. VAT and any other levies and/or costs shall be borne by the Buyer.
- 2.2 The agreed conditions will be laid down in the Confirmation of Contract by SDGISI.
- 2.3 Unless agreed otherwise, the volume to be purchased by the Buyer will be divided equally over the agreed period in the Confirmation of Contract, with the principle of an equal division per week. This division will hereinafter be referred to as the "Allocation". Lead times can vary per product and need to be agreed upfront. The volume and the Allocation, which must be called off by the Buyer by separate Orders, are binding to the Parties. The Parties can only deviate from this by mutual consent.
- 2.4 The Buyer cannot terminate a (part of the) Confirmation of Contract unilaterally. The Buyer can only terminate the Agreement (partially) due to well-founded and urgent reasons and with the prior written approval of SDGISI, in which case SDGISI will retain the right to compensation of the damage it incurs. In addition, the Buyer will compensate SDGISI for the costs of the booked production capacity of SDGISI's plant, if any, the price decreases of or any other negative effect on the raw materials, the storage costs, the unearned gross profit and the handling costs, which costs will be calculated by SDGISI.

3. Orders and Order Confirmation

- 3.1 The production and delivery of products by SDGISI will be effectuated based on Orders placed by the Buyer and confirmed by SDGISI in the Order Confirmation. Unless otherwise specified by SDGISI, the Orders must be received by SDGISI at the latest on Thursday at 10:00 hours (GMT +1) in the week prior to the agreed date of loading. For the avoidance of doubt, a week starts on Sunday 8.00 hours in the morning. The Orders must state at least the following: SDGISI contract number and price, ordered volume, SDGISI product name, delivery address, date and time of the requested delivery, customs documents, applicable Incoterm and specification of transportation (e.g. FCA, CIP, uncooled transportation) and order number of the Buyer.
- 3.2 The Orders can no longer be changed after receipt by SDGISI, and the Buyer cannot enforce delivery by SDGISI before receipt of the Order Confirmation.
- 3.3 Errors, inaccuracies and incompleteness in the Order Confirmation should be communicated to SDGISI in writing within 24 hours, in the absence of which the Order Confirmation is binding. In the event of any conflicts between the Order and the Order Confirmation, the Order Confirmation prevails.
- 3.4 SDGISI reserves the right to suspend the delivery of the products until the Buyer has fulfilled all its payment obligations towards SDGISI. The Buyer is held to place Orders in accordance with the minimum order quantity agreed in the Confirmation of Contract. If and insofar as the delivery of an Order for a smaller volume than the minimum order quantity is confirmed by SDGISI, SDGISI will be entitled to increase the agreed price for transport and to charge the costs of the degradation of the non-purchased volume to the Buyer. The degradation costs will be calculated by SDGISI per product.

4. Production

- 4.1 SDGISI shall set Specifications for each product, consisting of the Product Data Sheet (hereinafter referred to as "PDS") and the Product Quality & Safety Document (hereinafter referred to as "PQSD"), which apply to the Agreement.
- 4.2 SDGISI warrants that the product will meet the Specifications stipulated in the PDS after the product has been manufactured and made available for shipment at the SDGISI plant in Zwijndrecht, the Netherlands, unless the Parties agree that the values of the products may fall outside the value range stated in the Specifications. SDGISI shall analyze the product prior to shipment according to the parameters as set out in the PDS. The results of this analysis will be reported in the Certificate of Analysis (hereinafter referred to as "CoA"), which will constitute prima facie evidence between the Parties. SDGISI does not bear any risk of any changes to the quality, Specifications or conformity of the Product during or after shipment from the SDGISI plant and excludes all liability for such change. This provision prevails over the other provisions in the sales documents, any general terms and conditions, any applicable Incoterms or any other delivery terms and any other applicable provisions.
- 4.3 SDGISI has the right to change the Specifications from time to time. The Buyer agrees that the most recent version of the Specifications is automatically applicable to the Agreement, unless agreed otherwise between the Parties. Upon request, the Buyer will sign the Specifications. In the absence of such signature, the Specifications are deemed to be accepted after 7 days after the date of dispatch.

5. Delivery

- 5.1 Upon delivery of the products, the Buyer is obliged to inspect the products and to communicate any complaints, inaccuracies or defects to SDGISI within 48 hours after delivery and by written notice failing which the products will be deemed to be accepted and claims against SDGISI relating to these complaints, inaccuracies or defects will lapse. In the event of a dispute concerning the complaint, an independent expert appointed by the Parties will investigate the products. The result of the investigation will be binding upon the Parties. The party who fails the investigation shall bear all costs of the investigation.
- 5.2 If the Buyer wrongfully refuses the products, SDGISI will be entitled to compensation of all costs that it has incurred and of all damages that it has suffered. The aforementioned does not alter any other right falling to SDGISI in that case.
- 5.3 If the products do not meet the Specifications, this will only constitute a failure on the part of SDGISI to meet its obligations arising from the Agreement once SDGISI has been sent a written notice of default granting it a reasonable period in which to repair or replace the relevant products. If SDGISI fails to deliver the repaired or replaced products, the Buyer will have the right to withdraw or terminate the Order relating to said products.
- 5.4 If the Parties have agreed upon a delivery term other than FCA or EXW SDGISI has the right to charge the Buyer transport costs for any waiting time more than two hours after the latest agreed time of delivery, unless the Parties have mutually agreed on a new time of delivery.
- 5.5 If the Parties have agreed FCA or EXW as delivery term, the Buyer warrants that the selected carrier will make use of transportation that meets the applicable legislation and that is clean, dry, sealed and exclusively suitable for food products before proceeding to loading the products.
- 5.6 SDGISI is entitled to give instructions to the carrier selected by the Buyer with a view to facilitating an orderly and safe delivery. The Buyer shall require the carrier to follow the instructions of SDGISI. Upon request, written instructions will be provided by SDGISI.
- 5.7 The place of delivery and the transfer of the risk of the products will be determined by the specific Incoterm agreed between the Parties.
- 5.8 If the agreed delivery time is exceeded, this will not in itself constitute default on the part of SDGISI. In such case the Buyer should send SDGISI a written notice requiring that delivery be made within a reasonable period, failing which the Buyer has the right to withdraw or terminate the Order in question (or the unperformed part thereof) by written notice. The Buyer will not have this right if the Buyer is in default for its part.
- 5.9 The weighed weight of the tank vehicle on the weighbridge at the SDGISI plant is binding between Parties. Regardless of the foregoing, in the event the difference between the weighed weight of the tank vehicle on the weighbridge of SDGISI and the weighed weight on the weighbridge of the Buyer is 150 kg or more up to a maximum difference of 2% of the weighed weight of the tank vehicle on the weighbridge at the SDGISI plant, or represents a value of € 100 or more up to a maximum of 2.5% of the value of the products, the Parties shall start a mutual investigation into the cause of the difference. Depending on the result of the investigation, SDGISI may, at its sole discretion, partially credit the Invoice.

6. Invoicing and payment

- 6.1 In the context of clause 5.1, the Buyer will pay the exact volume delivered.
- 6.2 Unless agreed otherwise, a term of payment applies of 30 days after the Invoice date.
- 6.3 Parties are obliged to provide each other with their correct VAT registration number, failing which SDGISI will automatically increase the Invoice amount by VAT and any other amounts which Seller may owe and SDGISI will have the right to suspend all further deliveries until such time as the Buyer has provided its VAT registration number.
- 6.4 In the event that SDGISI has agreed pre-payment with the Buyer, the pre-payment must be received by SDGISI at the latest 2.5 working days before loading, at 13:00 hours (GMT +1). After receipt of the payment, SDGISI will release the products relating to the relevant Order for production. In the event that the payment is not received or not received in time, SDGISI will have the right not to carry out the Order.
- 6.5 If the Buyer fails to pay the invoiced amounts within the payment term, SDGISI will be entitled to statutory commercial interest as referred to in Article 6:119a of the Dutch Civil Code and to reimbursement of all costs that it incurs to collect its claim, including but not limited to the costs of legal assistance.
- 6.6 Any inaccuracies in the Invoice must be reported to SDGISI within 5 working days after the date of Invoice, in the absence of such a report the Parties will assume the accuracy of the sent Invoice.
- 6.7 In the event of a dispute regarding an Invoice the Buyer must pay the undisputed part of the Invoice within the applicable payment term. As soon as the dispute has come to an end, the Buyer must pay any unpaid portion to SDGISI within applicable payment term after settlement of the dispute.
- 6.8 If, during the Agreement, SDGISI has to make payments such as taxes, import, transit or export duties, product board levies, etc. which result from measures taken by any government or by any other government body or semi-government body and which were not due at the time when the Agreement was concluded or if the said taxes, duties or levies, etc. are modified or rescinded since the Agreement was concluded, SDGISI will be entitled to charge the Buyer for the extra payment.

7. Reservation of title

- 7.1 As referred to in Article 3:92 (2) of the Dutch Civil Code the ownership of the products delivered by SDGISI will be reserved to SDGISI until the Buyer has paid the purchase price including all costs and taxes due.

8. Force majeure

- 8.1 If, as a result of circumstances beyond its control (force majeure) SDGISI is not able to comply with its obligations under this Agreement, then SDGISI will be entitled, without being in default, to postpone its obligations such as the delivery of the goods until such time as the situation of force majeure has terminated.
- 8.2 If a situation of force majeure lasts for longer than three months, then both SDGISI and the Buyer will be entitled, by means of a simple notification to the other party, to unilaterally terminate the as yet unperformed part of the Agreement without legal proceedings being required.
- 8.3 Force majeure is hereby understood to mean in any event, but not exhaustively: war, revolution, riots, fire, weather conditions, floods, transport restrictions, illness, government measures including import and export restrictions, crop failure, disruption in the supply or provision of raw materials, energy or required operating resources, including non-performance on the part of suppliers from whom SDGISI obtains goods or services, strike, faults in or damage to machines, as well as any other disruption within SDGISI's business.
- 8.4 Force majeure is further understood to include every circumstance beyond SDGISI's control - regardless of whether this could have been foreseen at the time the Agreement was concluded - which temporarily or permanently prevents the performance of the Agreement or makes it substantially more difficult or more expensive to perform.
- 8.5 The foregoing provisions will also apply in cases where such circumstances have been caused by SDGISI's personnel.

9. Liability and warranty

- 9.1 SDGISI will never be liable for any damage or loss on the part of the Buyer due to a breach of Contract or a non-contractual liability, unless the damage or loss has been caused by an intentional act or willful recklessness on the part of SDGISI or its management.
- 9.2 Notwithstanding clause 9.1 any liability on the part of SDGISI for damage, including non-contractual liability, will be limited to an amount equal to the net Invoice value of the products which have not been delivered, not been delivered in good time or which have been delivered in a defective condition. In that case SDGISI's liability will be limited to damage to the Buyer's property and to personal injury. Seller will never be liable for consequential damages and loss of profits or loss of turnover and loss of goodwill.
- 9.3 Unless agreed otherwise, the Buyer is held to initiate any claims on SDGISI by virtue of the Agreement within 2 weeks, on penalty of the right to do so lapsing.

10. Applicable law and jurisdiction clause

- 10.1 The Agreement has been construed in accordance with and is governed by Dutch law, and the competent District Court of Rotterdam has exclusive jurisdiction on any disputes arising from the Agreement.
- 10.2 The provisions of the Uniform Act on the International Purchase of Corporeal Movables (LUVI, The Hague, 1 July 1964) and the United Nations Convention on International Purchase Agreements (CISG, Vienna, 11 April 1980) do not apply, except where agreed otherwise in writing.

11. Trademarks

- 11.1 All trademarks, trade names, logos and other brand features ("Marks") used in connection with the Products are and remain the exclusive property of SD Guthrie International Speciality Ingredients B.V. The Customer does not have any rights in or to the Marks, except for a limited, non-exclusive, non-transferable and revocable right to use the Marks solely as necessary to use or resell the Products in accordance with this Agreement.
- 11.2 The Customer shall not (i) modify or misuse the Marks, (ii) register or attempt to register any trademark, trade name, domain name or social media identifier that is identical or confusingly similar to the Marks, or (iii) take any action that may harm the reputation or goodwill of the Marks.
